

# Programme

Full details of the Safeguarding Week 2025 programme are available on the North Yorkshire Safeguarding Children Partnership Webpage: [NYSCP](#), or you can scan the QR below:

Please keep checking the website as further sessions may be added after the publication of this programme.

Below is a summarised programme of the sessions available throughout the week alongside the intended audience. Click on the course title link to take you to the full course description and booking details.

Please note that if an event is only available for participants from a specific Local Authority area, this is highlighted with the area shown in brackets.

With thanks to our safeguarding partners and to all those who have given up their time to deliver a session.

**Safeguarding is everyone's business**

## Freely available resources:

**Below are resources that can be accessed freely.**

Working with Adolescents – Dez Holmes	<p>As part of the launch of the City of York Safeguarding Children Partnership Contextual Safeguarding Strategy, Dez Holmes, Director of Research in Practice, delivered a keynote focused on effective strategies for working with adolescents, particularly those facing risks and harm beyond their immediate families. Drawing on her expertise, Dez explored the challenges practitioners may encounter when supporting young people affected by extra-familial harm, offering valuable insights and evidence-informed approaches for making a meaningful impact.</p> <p>If you would like to access a copy of the recording, please email <a href="mailto:CYSCP@york.gov.uk">CYSCP@york.gov.uk</a>. Please note, you will need a Microsoft OneDrive account.</p>
<a href="#">North Yorkshire Safeguarding Children Partnership YouTube Channel</a>	<p>The North Yorkshire Safeguarding Children Partnership YouTube channel has a variety of pre-recorded learning and training events available for free.</p>
