Booking onto FEAST activities using HolidayActivities

Most bookings for FEAST are made on HolidayActivities, a website where you can see all the activities on offer, book your place, provide more information about your requirements, and manage/cancel bookings as required.

To log into HolidayActivities, go to app.holidayactivities.com and either log in (using the email or social account you've used before) or sign up.

You will then be asked for your 16-digit voucher number, which will have been provided to you by email or text from HolidayActivities (or, in some limited circumstances, another way by your school or North Yorkshire Together etc.)

If you follow the link in the email or text you received for this holiday period's voucher, you will not need to manually input your voucher number.

Booking onto FEAST without using the internet

If you're eligible for FEAST and want to book onto activities without using the internet, follow the steps below:

1. Contact the activity provider you'd like to book with – you can find their contact details in this document.
2. If they have space, book your place by giving them your 16-digit FEAST voucher, and some more information about the child/young person. It's that easy!

If you don't have your FEAST voucher, follow the guidance below.

Booking onto FEAST without your voucher

If you're eligible for FEAST and want to book onto activities but don't currently have your voucher, follow the steps below:

Note: If you've already claimed this holiday period's voucher, you can find it by logging in (using the email address or social log in you previously used) at app.holidayactivities.com

1. Contact the activity provider you'd like to book with – you can find their contact details in this document.
2. If they have space, tell them that you are eligible but do not have your voucher yet. They should accept your booking.
3. Try searching your email and texts for 'HolidayActivities', or putting your email in at app.holidayactivities.com – you might be able to find your voucher this way.
4. If this doesn't work, ask your school for the voucher code.

If it's the school holiday, or your child doesn't go to school, contact North Yorkshire Together on hello@northyorkshiretogether.co.uk or 01845 980 141. Please note our team works part time and on weekdays only!

5. Contact the provider to give them your 16-digit voucher number to complete your booking
