Safeguarding Children Basic Awareness E-Learning

This free online training package is aimed at individuals in organisations and voluntary groups who work with children and young people to give basic awareness of child protection issues and how to safeguard children from abuse.

It takes about 45 minutes to complete, and you can gain a certificate of completion at the end.

For Schools & Early Years Providers

Alongside partnership training, schools and Early years providers can access:

- Termly DSL online network meetings (free sessions to keep you abreast of safeguarding updates in North Yorkshire)
- Annual face-to-face DSL conference
- Termly online twilight sessions for Early Years providers (free sessions to keep you updated on key safeguarding messages)

North Yorkshire Education Service has produced guidance on North Yorkshire Council: Safeguarding Children Training. This details what courses would be advised for colleagues who are new to the role of Designated Safeguarding Leads (DSL) and what courses to undertake for refresher sessions

North Yorkshire Safeguarding Children Partnership has a wide variety of local and National training available to partners.

Child Death Review Training

No one wants to consider the sad death of any child. In North Yorkshire, we have a statutory role to review the death of every child. This training includes the different components of the Joint Agency Response when a child dies and the subsequent Child Death review. It also includes your role if you are invited to attend any of the meetings.

Find the training by searching "Child Death Review Training" on NYES

Drink Drug Hub

Drink Drug Hub offers Training, Information & Support for anyone in North Yorkshire. Training is available on the site including:

- Talking to children & Young people about Drugs
- Drugs? Think Different
- Overdose awareness
- ...and many more.
